ADDITIONAL HARDWARE/SOFTWARE

Peripherals

ICTDS can supply a number of peripherals as listed below. As prices tend to fluctuate on these items, prices and specifications will be available on request.

- Monitors
- Printers
- Keyboards and mice (please note that a keyboard and mouse is included with each desktop PC)
- Laptop cases
- Storage trollies
- External DVD drives
- Power cables

Chromebooks

Prices and specifications for Chromebooks can be provided on request.

When comparing our prices with other vendors, please note that we include a 3 year warranty, the necessary management license to connect the Chromebook to a Google domain and a pre-configuration service to allow instant out of the box use of the Chromebook.

Please note that ICTDS does not allow devices purchased from third party suppliers to be connected to our managed Google domain (welearn365.com). Any supplier indicating that devices purchased from them can be added into our managed service is misleading you.
